

Compliance Instructions

Nexora Technologies Pvt Ltd | Controlled Internal Document

Document ID: NEX-COMP-001

Version: 1.0

Status: Active

Effective Date: 2026-09-01

Owner: Compliance Office

Category: Compliance

1. Mandatory Training

Complete assigned security, privacy, conduct, and role-specific compliance training by the required due date.

2. Records

Business records must be accurate, complete, and stored in approved systems. Do not backdate, falsify, or intentionally omit required records.

3. Privacy

Handle personal data only for authorized purposes and report suspected privacy incidents immediately.

4. Security

Follow access control, authentication, secure development, device, and incident-reporting requirements.

5. Conflicts and Gifts

Disclose potential conflicts of interest and follow the company's approval process for gifts, hospitality, or vendor relationships.

6. Evidence

Compliance activities should retain sufficient evidence such as approvals, training completion, acknowledgements, review results, and incident records.
