

Employee Onboarding Process

Nexora Technologies Pvt Ltd | Controlled Internal Document

Document ID: NEX-PROC-001

Version: 2.0

Status: Active

Effective Date: 2026-09-01

Owner: People Operations

Category: People Operations

1. Pre-Joining

People Operations confirms employee identity, role, department, manager, joining date, required equipment, and access requests.

2. Day 1

Manager introduces the team, confirms access, assigns the onboarding plan, and ensures mandatory policy acknowledgements are completed.

3. Week 1

Employee completes security, privacy, conduct, company, and role-specific modules and begins initial tasks.

4. First 30 Days

Manager reviews progress, quiz/assessment results, role tasks, and any learning gaps.

5. First 60/90 Days

Employee completes advanced role activities and manager reviews readiness against role requirements.

6. Evidence

Training completion, acknowledgements, task outcomes, quiz results, and assessments are retained in the approved onboarding system.
